Westerville South Soundsations

Rotary Club of Westerville Sunrise Youth Exchange Program (YEP)

Our club is currently hosting:
One long-term Inbound Student:
Marta Maria Rey (Spain)

For more information, visit rye6690.org. Help Marta discover a new life in Westerville, while your family learns about Spain, her culture and shares in her experiences. To arrange an outing with Marta, please contact Kyle Stroh at kstroh@metzbailey.com

A special thank you to Jared and Erika Goodsite for being Marta's first host family! Thank you to Rick and Diane Bannister for being Marta's second host family and Arturo and Rachel Sanabria for being the third host family.

Take your ski skills to new heights helping children, adults, and veterans with physical disabilities ski again. Adaptive Sports Connection needs volunteers at Snow Trails and Mad River.

There are several ways to volunteer at skiing events:

- Register as an on-snow volunteer, assisting with adaptive lessons and developing your personal skiing and teaching skills
- Register as an off-snow volunteer, assisting with registration, equipment maintenance, and other various non-skiing responsibilities

Skiers of all experience levels welcome!

No previous adaptive skiing volunteer experience necessary. All equipment provided.

All volunteers are highly encouraged to come to the training sessions listed below. These sessions will give you the tools you need to assist people with disabilities and will make you a more useful volunteer. However, if you cannot make it, we can provide on the job training on event days. Please email info@taasc.org if you are unable to attend any training sessions. Thank you again for volunteering.

Online Registration Process

www.taasc.org

During the registration process, volunteers will be asked to create an account. This will allow us to communicate upcoming events, special events, last minute cancellations, or venue changes. If you have any questions, please contact info@taasc.org.

Dry Land Volunteer Training

December 5 & 7, 6:30-8:00pm at Adaptive Sports Connection Adventure Center (6000 Harriott Dr, Powell OH 43065)

These sessions are required for new volunteers, and strongly encouraged for returning volunteers. We will cover a basic overview of Adaptive Sports Connection programs and policies, an overview of the ski program, and will cover topics related to teaching adaptive skiers and snowboarders.

On Hill Volunteer Training

December 16, 9:00am - 3:00pm at Snow Trails Resort

Session availability is weather dependent. All volunteers are encouraged to attend this session. Volunteers will be broken up into groups based on skiing ability and adaptive discipline interest. Each group will work with an instructor to go through a basic ski progression and to learn what a typical Adaptive Sports Connection lesson is like. New skiers will work to improve their personal skiing skills with an instructor. All equipment is provided for this session.

Skiing Volunteer Events

Saturdays starting January 6th, 9:00am - 3:00pm, available full or half day sessions at Snow Trails Resort and Mad River Mountain

Additional events including ski events for veterans will be announced—register online to receive event announcements and to volunteer.
